

The St. Paul Public Housing Agency (PHA) has suspended action on all pending and future requests for rent increases in the Section 8 Housing Choice voucher Program, effective February 2, 2010 and until further notice.

The reason for this action is that the PHA is paying out more each month for rent subsidies than the funding the PHA receives from HUD. The PHA has taken steps designed to reduce costs, including reducing the number of vouchers under lease. However, the costs have not decreased as much as needed.

We regret having to take this action. However, we have no choice considering the funding limitations. We appreciate your continued cooperation.
